Your signup is now complete and you are ready to use the Internet.

If this is your first time using our Hotspot:
Please [Click Here](#) to add the logout link to your Favourites (Bookmarks) which you can use when you want to logout from our service. This link is needed in case you close the status window.

To connect to the Internet now enter your details into the login box to the left.

The account is now created. To start using that account, they need to enter their details on the left and click on 'use internet'

If they have pop-ups allowed they will get the following popup showing how long they have left to download and time etc.

The user can also logout from this popup if they wish.

The rydges.com website will now appear and they will be online until their time and/or download/upload limit expires

Users can check their usage at any time from the main page by entering their username and password and clicking on 'view account' and they will get the below screen:

The screenshot displays the 'my account' interface for 'aptel rydges preston hotspot'. At the top, the navigation menu includes 'HOME | ABOUT US | HOTSPOT INFO | CONTACT US | SIGNUP'.
